Textiles & Hosiery Products

COMMITTED TO PROVIDING QUALITY GLOVES

Company Profile

It has been over thirty-seven years since Super Gloves Industries ventured into the textile industry and began its own manufacturing operations.

Today, we take great pride in introducing ourselves as one of the leading manufacturers and exporters of premium quality working gloves and textile safety products.Our extensive product range includes Interlock, Jersey, Drill, Terry, Hot-Mill, Nylon, and Leather Gloves, along with various textile items such as aprons, sleeves, bags, mops, boots, and dusters.

Over the years, we have built strong business relationships across Europe, and have regular customers in the USA, Canada, and the Middle East. Our clients appreciate our timely shipments, competitive prices, and consistent quality, backed by a team of skilled and experienced professionals dedicated to excellence in every product we make.

Our quality control department is equipped with advanced testing facilities and staffed by qualified personnel who ensure that strict quality standards are maintained at every stage—from raw materials to finished goods.

We are proud to be ISO 9001:2015, ISO 14001:2015, ISO 22000:2018, OEKO-TEX and Sedex (SMETA) certified, our products carry CE CAT I certification for all gloves and CE CAT II certification for leather gloves.

We offer high-quality products at competitive prices, supported by prompt delivery and outstanding customer service. Due to our customers' trust and satisfaction, we have grown into one of the most reliable and respected glove manufacturers in the industry.Looking ahead, our vision is to expand into value-added products that exceed our customers' expectations.

We continue to invest in research and development to enhance product performance, comfort, and durability.For further details about our production facilities, workforce, or product range, please feel free to contact us.
